Minor river and surface water flooding impacts are possible in parts of Wales and the north of England on Wednesday. The overall flood risk for the next five days is **VERY LOW**.

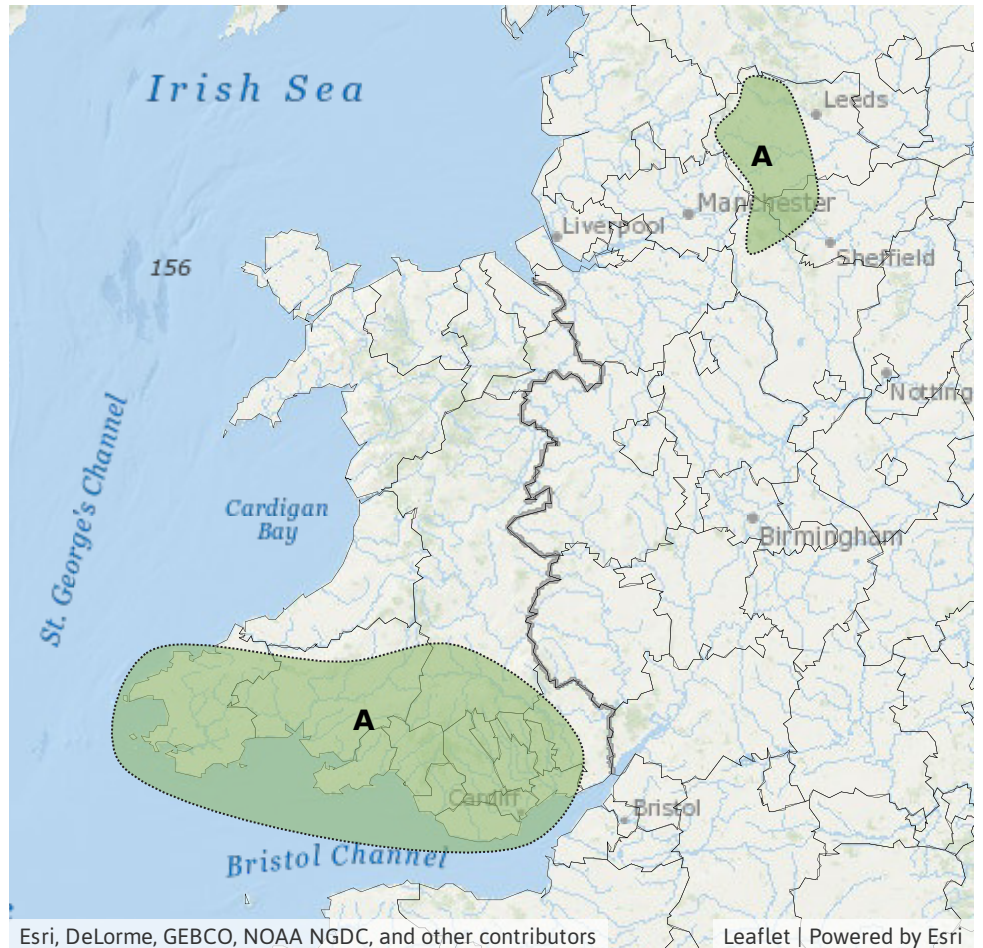

Areas of Concern Map 1 - Wednesday 6 March 2019

RISK AREA A
Impact **MINOR**
Likelihood **LOW**

Source River Surface
Likely duration 1 Day

Widespread heavy rain and following heavy showers may lead to minor flooding.

Assessment of flood risk

Rivers

Minor river flooding impacts are possible on Wednesday in Areas A on Specific Areas of Concern Map 1. This is due to widespread heavy rain followed by heavy showers.

Minor river flooding impacts are possible but not expected across other parts of Wales, northern England and the north Midlands on Wednesday.

The river flood risk remains VERY LOW for the next five days.

Surface water

Minor surface water flooding impacts are possible on Wednesday in Areas A on Specific Areas of Concern Map 1. This is due to widespread heavy rain followed by heavy showers.

Minor surface water flooding impacts are possible but not expected on Wednesday across other parts of England and Wales due to widespread rain and heavy showers.

The surface water flood risk remains VERY LOW for the next five days.

Coastal/Tidal

The coastal/tidal flood risk remains VERY LOW for the next five days, despite some localised spray and overtopping along the north east coast of England on Thursday evening and Friday morning.

Groundwater

The groundwater flood risk is VERY LOW for the next five days.

Flood risk matrix

Summary of potential impacts

MINIMAL

Isolated and minor flooding of low-lying land and roads
Isolated spray/wave on coastal promenades
Little or no disruption to travel, but wet road surfaces

MINOR

Localised flooding of land and roads
Flooding affecting individual properties
Disruption to travel and key sites in flood plans

SIGNIFICANT

Flooding affecting parts of communities
Possible danger to life and damage to buildings/structures
Disruption to travel and key sites in flood plans

SEVERE

Danger to life, severe disruption to travel
Widespread flooding affecting whole communities
Widespread disruption or loss of infrastructure
Large scale evacuation of properties possible

Next statement due **10:30hrs Tuesday 05 March 2019 (all times are local)**
