Minor coastal flooding impacts are possible today (Saturday) along parts of the south coast of Devon. The overall flood risk is VERY LOW.

### Specific Areas of Concern Map 1: Saturday 30 November

**RISK AREA A**  
Impact **MINOR**  
Likelihood **LOW**

Source Coastal/Tidal  
Likely duration 1 Day

Strong easterly winds causing onshore waves may give localised minor impacts.

## Assessment of flood risk

### Coastal/Tidal

---

The coastal/tidal flood risk is VERY LOW for the next five days.

Localised minor coastal flooding impacts are possible on east-facing parts of the south coast of Devon today (Saturday), due to the potential for wave over-topping from strong easterly winds.

### Groundwater

---

The groundwater flood risk is VERY LOW for the next five days.

Groundwater levels are high in North Lincolnshire and West Dorset, though any impacts are minimal.

### Surface water

---

The surface water flood risk is VERY LOW for the next five days.

Rain in the far south-west of England today may lead to minimal surface water flooding impacts.

### Rivers

---

The river flood risk is VERY LOW for the next five days.

Rain in the far south-west of England today may lead to minimal river flooding impacts.

# Flood Guidance Statement

10:30hrs Saturday 30 November 2019

### Flood risk matrix

### Summary of potential impacts

#### MINIMAL

Isolated and minor flooding of low-lying land and roads  
Isolated spray/wave on coastal promenades  
Little or no disruption to travel, but wet road surfaces

#### MINOR

Localised flooding of land and roads  
Flooding affecting individual properties  
Disruption to travel and key sites in flood plans

#### SIGNIFICANT

Flooding affecting parts of communities  
Possible danger to life and damage to buildings/structures  
Disruption to travel and key sites in flood plans

#### SEVERE

Danger to life, severe disruption to travel  
Widespread flooding affecting whole communities  
Widespread disruption or loss of infrastructure  
Large scale evacuation of properties possible

Next statement due **10:30hrs Sunday 01 December 2019 (all times are local)**
