Minor surface water flooding impacts are possible each day across much of England and Wales for the next five days. Potential for surface water flood risk to escalate at short notice. The overall flood risk is currently VERY LOW.

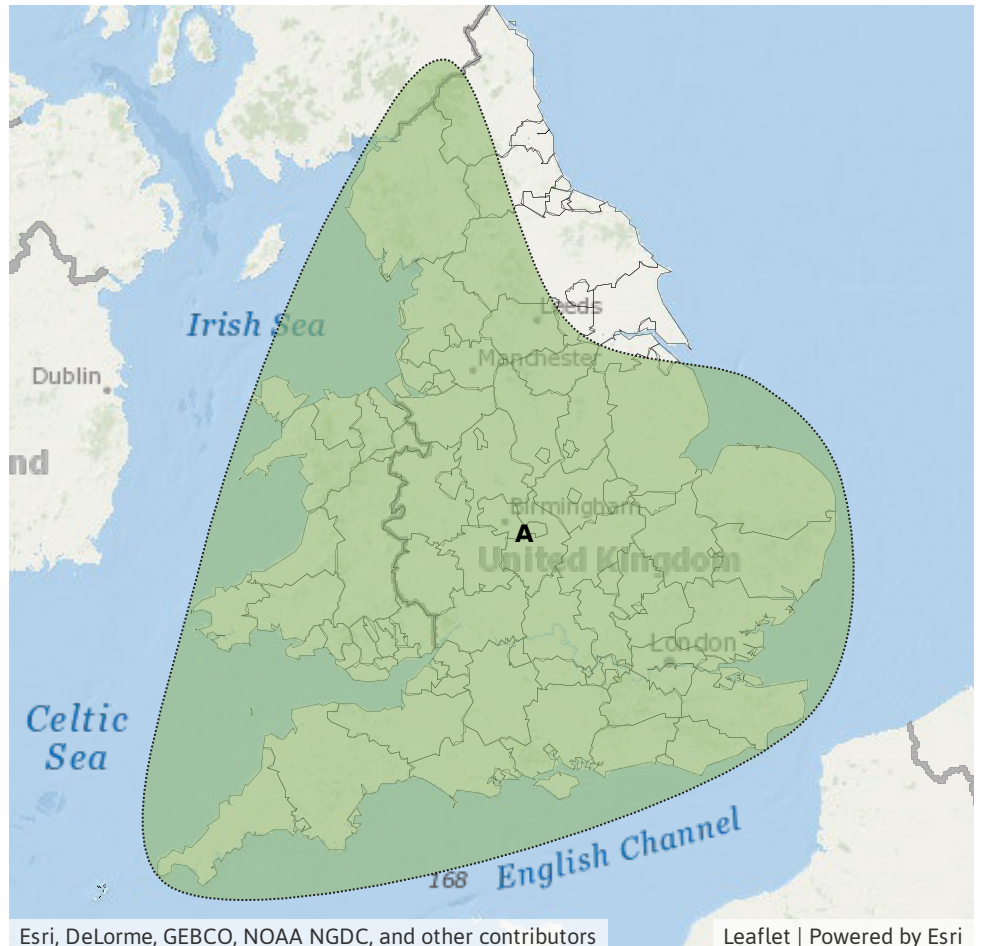

## Specific Areas of Concern Map 1: Sunday 14 to Thursday 18 June.

**RISK AREA A**  
Impact **MINOR**  
Likelihood **LOW**

Source Surface  
Likely duration 5 Days

Heavy, thundery showers on each day.  
Urban areas most at risk of flooding.

## Assessment of flood risk

### Surface water

---

The surface water flood risk is currently VERY LOW throughout.

Minor surface water flooding impacts are possible across many parts of England and Wales today (Sunday) and Monday, due to heavy thundery showers.

From Tuesday to Thursday, further heavy and thundery showers across many parts of England and Wales are likely to develop on each day. Minor surface water flooding impacts are again possible and there is potential for the flood risk to escalate at short notice.

### Rivers

---

The river flood risk is VERY LOW for the next five days.

### Coastal/Tidal

---

The coastal/tidal flood risk is VERY LOW for the next five days.

### Groundwater

---

The groundwater flood risk is VERY LOW for the next five days.

### Flood risk matrix

### Summary of potential impacts

**MINIMAL**

Isolated and minor flooding of low-lying land and roads  
Isolated spray/wave on coastal promenades  
Little or no disruption to travel, but wet road surfaces

**MINOR**

Localised flooding of land and roads  
Flooding affecting individual properties  
Disruption to travel and key sites in flood plans

**SIGNIFICANT**

Flooding affecting parts of communities  
Possible danger to life and damage to buildings/structures  
Disruption to travel and key sites in flood plans

**SEVERE**

Danger to life, severe disruption to travel  
Widespread flooding affecting whole communities  
Widespread disruption or loss of infrastructure  
Large scale evacuation of properties possible

Next statement due **10:30hrs Monday 15 June 2020 (all times are local)**
