Minor surface water and river flooding impacts are possible across south-east England on Friday and possible but not expected across other parts of England and Wales today (Wednesday) and Thursday. The overall flood risk is **VERY LOW**.

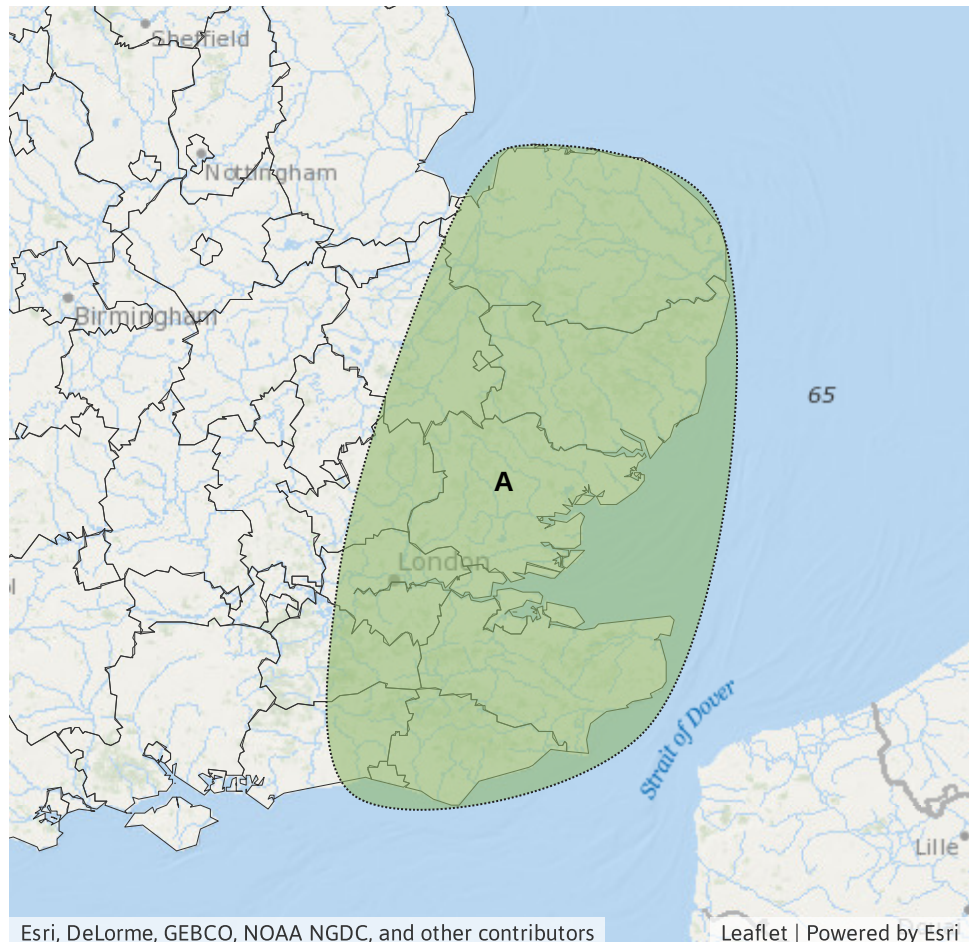

## Specific Areas of Concern Map 1 - Friday 4 June 2021

**RISK AREA A**  
Impact **MINOR**  
Likelihood **LOW**

Source River Surface  
Likely duration 1 Day

Heavy showers and thunderstorms tracking north-east.

## Assessment of flood risk

### Surface water

---

The surface water flood risk is VERY LOW for the next five days.

Minor surface water flooding impacts are possible across parts of east and south-east England on Friday due to heavy showers and thunderstorms.

Minor surface water flooding impacts are possible but not expected today (Wednesday) across Wales and many central, western and northern parts of England. They are also possible but not expected across parts of the east Midlands, east and north-east England on Thursday. This is due to the potential for heavy thunderstorms.

### Rivers

---

The river flood risk is VERY LOW for the next five days.

Minor river flooding impacts are possible but not expected across parts of east and south-east England on Friday due to heavy showers and thunderstorms. Small, fast responding urban catchments are most at risk.

### Coastal/Tidal

---

The coastal/tidal flood risk is VERY LOW for the next five days.

### Groundwater

---

The groundwater flood risk is VERY LOW for the next five days.

### Flood risk matrix

### Summary of potential impacts

#### MINIMAL

Isolated and minor flooding of low-lying land and roads  
Isolated spray/wave on coastal promenades  
Little or no disruption to travel, but wet road surfaces

#### MINOR

Localised flooding of land and roads  
Flooding affecting individual properties  
Disruption to travel and key sites in flood plans

#### SIGNIFICANT

Flooding affecting parts of communities  
Possible danger to life and damage to buildings/structures  
Disruption to travel and key sites in flood plans

#### SEVERE

Danger to life, severe disruption to travel  
Widespread flooding affecting whole communities  
Widespread disruption or loss of infrastructure  
Large scale evacuation of properties possible

Next statement due **10:30hrs Thursday 03 June 2021 (all times are local)**
