Increased

Sunday

4 Jul 2021

Increased

Minor inland flooding impacts are possible but not expected in the south-west of England today. Minor inland flooding impacts are possible but not expected more widely through the weekend. The overall flood risk is VERY LOW.

Assessment of flood risk

Surface water

The surface water flood risk is VERY LOW for the next five days.

Local minor surface water flooding impacts are possible but not expected in the south-west of England this afternoon and evening due to heavy showers. Minor surface water flooding impact are also possible but not expected across much of England and Wales on Saturday and through central, northern and eastern parts of England on Sunday. This is due to further heavy showers.

Rivers

The river flood risk is VERY LOW for the next five days.

Local minor river flooding impacts are possible but not expected in the south-west of England this afternoon and evening due to heavy showers. Minor river flooding impact are also possible but not expected across much of England and Wales on Saturday and through central, northern and eastern parts of England on Sunday. Only small, fast responding and urban catchments are at risk.

Coastal/Tidal

The coastal/tidal flood risk is VERY LOW for the next five days.

Groundwater

The groundwater flood risk is VERY LOW for the next five days.

Flood risk matrix

Summary of potential impacts

MINIMAL

Isolated and minor flooding of low-lying land and roads
Isolated spray/wave on coastal promenades
Little or no disruption to travel, but wet road surfaces

MINOR

Localised flooding of land and roads
Flooding affecting individual properties
Disruption to travel and key sites in flood plans

SIGNIFICANT

Flooding affecting parts of communities
Possible danger to life and damage to buildings/structures
Disruption to travel and key sites in flood plans

SEVERE

Danger to life, severe disruption to travel
Widespread flooding affecting whole communities
Widespread disruption or loss of infrastructure
Large scale evacuation of properties possible
