Increased ↑

Minor river flooding impacts are expected along parts of the River Severn until Friday. Inland flooding impacts are possible but not expected in Wales and parts of England on Monday. The overall flood risk is LOW.

## Specific Areas of Concern Map 1: Thursday 24 and Friday 25 February 2022

## Assessment of flood risk

### Rivers

---

The river flood risk is LOW on Thursday and Friday.

Persistent, heavy rain that fell on Sunday continues to cause high water levels in some larger river catchments. Minor river flooding impacts are expected to continue until Friday along parts of the River Severn with additional minor impacts possible elsewhere. See Specific Areas of Concern Map for details.

Minor river flooding impacts are possible but not expected across Wales and northern and western parts of England on Monday due to heavy and persistent rainfall.

### Surface water

---

The surface water flood risk is VERY LOW for the next five days.

Minor surface water flooding impacts are possible but not expected across Wales and northern and western parts of England on Monday due to heavy and persistent rainfall.

### Coastal/Tidal

---

The coastal/tidal flood risk is VERY LOW for the next five days.

### Groundwater

---

The groundwater flood risk is VERY LOW for the next five days.

### Flood risk matrix

### Summary of potential impacts

**MINIMAL**

Isolated and minor flooding of low-lying land and roads  
Isolated spray/wave on coastal promenades  
Little or no disruption to travel, but wet road surfaces

**MINOR**

Localised flooding of land and roads  
Flooding affecting individual properties  
Disruption to travel and key sites in flood plans

**SIGNIFICANT**

Flooding affecting parts of communities  
Possible danger to life and damage to buildings/structures  
Disruption to travel and key sites in flood plans

**SEVERE**

Danger to life, severe disruption to travel  
Widespread flooding affecting whole communities  
Widespread disruption or loss of infrastructure  
Large scale evacuation of properties possible

Next statement due **10:30hrs Friday 25 February 2022 (all times are local)**
