Increased

Minor groundwater flooding impacts are probable in parts of the South of England from today (Sunday) and are possible there more widely. The overall flood risk is LOW.

Specific Areas of Concern Map 1 - Sunday 02 to Thursday 06 February 2025

RISK AREA A

Impact **MINOR**

Likelihood **LOW**

Source Ground
Likely duration 5 + Days

Minor groundwater flooding impacts are possible.

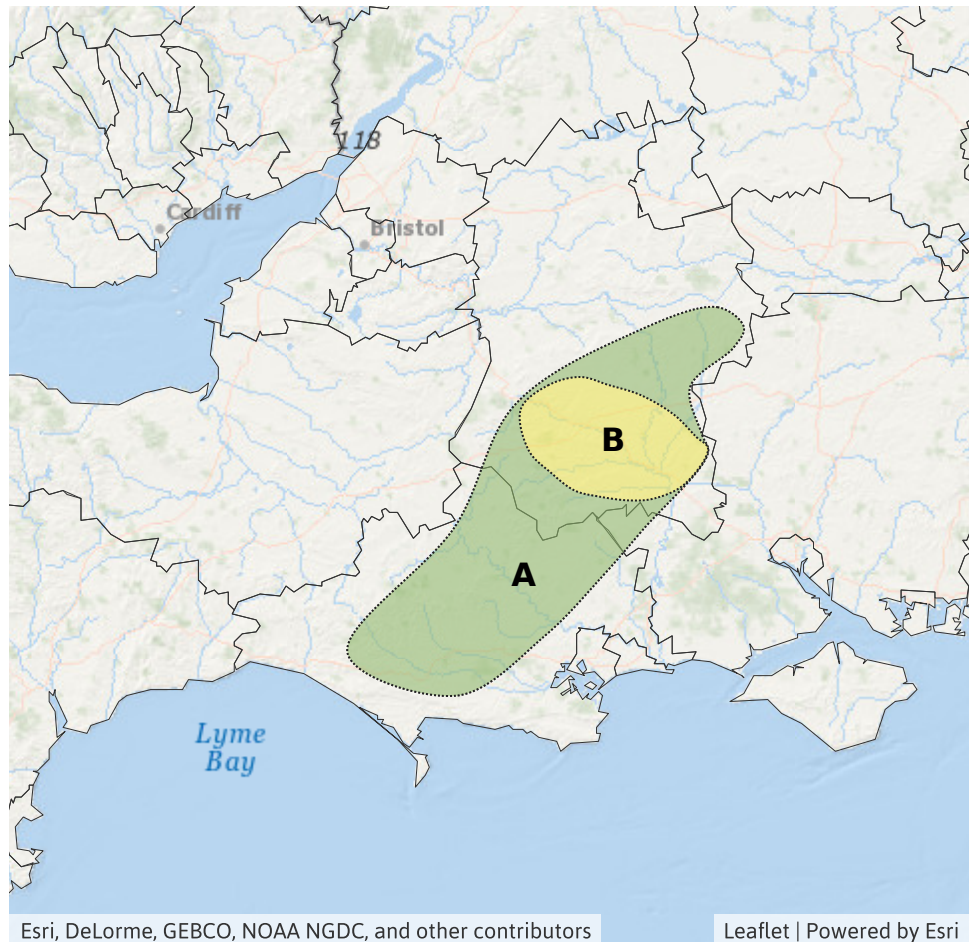

RISK AREA B

Impact **MINOR**

Likelihood **MEDIUM**

Source Ground
Likely duration 5 + Days

Minor groundwater flooding impacts are probable.

Assessment of flood risk

Groundwater

The groundwater flood risk is LOW from today (Sunday).

Minor groundwater flooding impacts are probable in parts of the South of England from today (Sunday) and are possible there more widely. See Specific Areas of Concern Map.

In Hampshire, minor groundwater flooding impacts are possible but not expected from today.

Coastal/Tidal

The coastal/tidal flood risk is VERY LOW for the next five days.

Minimal coastal flooding impacts are possible along parts of the coast in South West Wales for a time on Sunday morning due to large waves. Impacts may include isolated spray on low-lying roads and coastal promenades.

Rivers

The river flood risk is VERY LOW for the next five days.

Surface water

The surface water flood risk is VERY LOW for the next five days.

Flood Guidance Statement

10:30hrs Sunday 02 February 2025

Flood risk matrix

Summary of potential impacts

MINIMAL

Isolated and minor flooding of low-lying land and roads
Isolated spray/wave on coastal promenades
Little or no disruption to travel, but wet road surfaces

MINOR

Localised flooding of land and roads
Flooding affecting individual properties
Disruption to travel and key sites in flood plans

SIGNIFICANT

Flooding affecting parts of communities
Possible danger to life and damage to buildings/structures
Disruption to travel and key sites in flood plans

SEVERE

Danger to life, severe disruption to travel
Widespread flooding affecting whole communities
Widespread disruption or loss of infrastructure
Large scale evacuation of properties possible

Next statement due **10:30hrs Monday 03 February 2025 (all times are local)**
