Flood Guidance Statement

10:30hrs Thursday 23 October 2025

Specific Areas of Concern Map 2 - Saturday 25 October 2025

Assessment of flood risk

Surface water

The surface water flood risk is LOW today (Thursday).

Minor surface water flooding impacts are probable in the East of England today (Thursday). See Specific Areas of Concern Map for more details.

Minor surface water flooding impacts are possible but not expected in parts of England on Friday.

Impacts could include localised flooding from urban and fast responding smaller watercourses/catchments, drains, channels and flooding from overland flow.

Coastal/Tidal

The coastal/tidal flood risk is VERY LOW for the next five days.

Minor coastal flooding impacts are possible for parts of the East coast of England on Saturday. See Specific Area of Concern Map for more details.

Minimal coastal flooding impacts are possible more widely in England and Wales today (Thursday) and in England on Friday and Saturday due to high tides and unsettled coastal conditions including large waves and storm surge.

Rivers

The river flood risk is VERY LOW for the next five days.

Minor river flooding impacts are possible but not expected in parts of England on Thursday and Friday.

Groundwater

The groundwater flood risk is VERY LOW for the next five days.

Flood risk matrix

Summary of potential impacts

- MINIMAL**
Isolated and minor flooding of low-lying land and roads
Isolated spray/wave on coastal promenades
Little or no disruption to travel, but wet road surfaces
- MINOR**
Localised flooding of land and roads
Flooding affecting individual properties
Disruption to travel and key sites in flood plans
- SIGNIFICANT**
Flooding affecting parts of communities
Possible danger to life and damage to buildings/structures
Disruption to travel and key sites in flood plans
- SEVERE**
Danger to life, severe disruption to travel
Widespread flooding affecting whole communities
Widespread disruption or loss of infrastructure
Large scale evacuation of properties possible

Next statement due 10:30hrs Friday 24 October 2025 (all times are local)
