Minor coastal flooding impacts are possible for parts of the East coast of England on Saturday and into Sunday. The overall flood risk for England and Wales is VERY LOW.

Specific Areas of Concern Map 1 - Saturday 25 and Sunday 26 October 2025

RISK AREA A
Impact **MINOR**
Likelihood **LOW**

Source Coastal/Tidal
Likely duration 1 Day

Large surge down the North Sea coinciding with high tides

Assessment of flood risk

Coastal/Tidal

The coastal/tidal flood risk is VERY LOW for the next five days.

Minor coastal flooding impacts are possible for parts of the East coast of England on Saturday and into Sunday. See Specific Area of Concern Map for more details.

Minor coastal flooding impacts are also possible but not expected more widely around England today (Friday), Saturday and into Sunday due to high tides and unsettled coastal conditions including large waves and storm surge.

Surface water

The surface water flood risk is VERY LOW for the next five days.

Minor surface water flooding impacts are possible but not expected in parts of England today (Friday).

Impacts could include localised flooding from urban and fast responding smaller watercourses/catchments, drains, channels and flooding from overland flow.

Rivers

The river flood risk is VERY LOW for the next five days.

Minor river flooding impacts are possible but not expected in parts of England today (Friday) and again on Sunday, due to heavy rainfall.

Groundwater

The groundwater flood risk is VERY LOW for the next five days.

Flood risk matrix

Summary of potential impacts

- MINIMAL**
Isolated and minor flooding of low-lying land and roads
Isolated spray/wave on coastal promenades
Little or no disruption to travel, but wet road surfaces
- MINOR**
Localised flooding of land and roads
Flooding affecting individual properties
Disruption to travel and key sites in flood plans
- SIGNIFICANT**
Flooding affecting parts of communities
Possible danger to life and damage to buildings/structures
Disruption to travel and key sites in flood plans
- SEVERE**
Danger to life, severe disruption to travel
Widespread flooding affecting whole communities
Widespread disruption or loss of infrastructure
Large scale evacuation of properties possible

Next statement due **10:30hrs Saturday 25 October 2025 (all times are local)**
