Specific Areas of Concern Map 2 - Monday 22 to Wednesday 24 December 2025

RISK AREA B
Impact **MINOR**
Likelihood **LOW**

Source Ground
Likely duration 3 Days

Groundwater flooding impacts in the Malton area.

Assessment of flood risk

Rivers

The river flood risk is LOW for the next five days.

Minor river flooding impacts are expected from the River Ritec in Tenby, Pembrokeshire for the next five days. See Areas of Concern Map for details.

Minor river flooding impacts are possible but not expected in parts of England today (Monday).

Groundwater

The groundwater flood risk is VERY LOW for the next five days.

Minor groundwater flooding impacts are possible in parts of Yorkshire, from today (Monday) until Wednesday, and possible but not expected in other parts of England from today until Friday.

See Areas of Concern Map for details.

Surface water

The surface water flood risk is VERY LOW for the next five days.

Minor surface water flooding impacts are possible but not expected in parts of England today (Monday).

Impacts could include localised flooding from urban and fast responding smaller watercourses/catchments, drains, channels and flooding from overland flow.

Coastal/Tidal

The coastal/tidal flood risk is VERY LOW for the next five days.

Flood risk matrix

Summary of potential impacts

- MINIMAL**
Isolated and minor flooding of low-lying land and roads
Isolated spray/wave on coastal promenades
Little or no disruption to travel, but wet road surfaces
- MINOR**
Localised flooding of land and roads
Flooding affecting individual properties
Disruption to travel and key sites in flood plans
- SIGNIFICANT**
Flooding affecting parts of communities
Possible danger to life and damage to buildings/structures
Disruption to travel and key sites in flood plans
- SEVERE**
Danger to life, severe disruption to travel
Widespread flooding affecting whole communities
Widespread disruption or loss of infrastructure
Large scale evacuation of properties possible

Next statement due **10:30hrs Tuesday 23 December 2025 (all times are local)**
